

Interlink Electronics to Participate at the Planet MicroCap Showcase April 23-24, 2025

FREMONT, Calif., April 7, 2025 /PRNewswire/ -- **Interlink Electronics, Inc. (Nasdaq: LINK)**, a leading provider of sensor and printed electronics solutions, will be participating in the [Planet MicroCap Showcase: VEGAS 2025](#), being held April 22-24, 2025, at the Paris Hotel & Casino in Las Vegas, Nevada.

Interlink Chairman, President, and CEO [Steven N. Bronson](#) will deliver a company presentation on Wednesday, April 23, 2025, and host one-on-one meetings with investors on Thursday, April 24, 2025.

Presentation Details

Date: Wednesday, April 23, 2025

Time: 8:00 a.m. Pacific time

Location: Paris Hotel & Casino in Las Vegas, Nevada

Webcast: [Here](#)

Bronson will provide an overview of Interlink's recent operational [progress](#) and key strategic achievements, including the acquisition of UK-based Conductive Transfers Limited and the awarding of two SBIR grants to accelerate product innovation. He will also highlight the company's progress in scaling operations, expanding its global footprint, and strengthening its leadership team to support long-term growth. In addition, Bronson will outline Interlink's 2025 growth priorities across its core verticals: environmental sensing, printed electronics, and smart textile solutions. With strong revenue momentum, healthy margins, and growing institutional interest, Interlink views 2025 as a transformative year as it continues to execute its strategic expansion into high-growth end markets.

Participation in the Planet MicroCap Showcase—held in partnership with [MicroCapClub](#)—supports Interlink's commitment to enhancing investor visibility, expanding its shareholder base, and maintaining consistent engagement with the financial community.
